

Hope Air is not an airline—it's a lifeline. Help bring them some financial lift.

Hope Air is a national charity that proudly works with Canada's airlines (who donate seats) and hundreds of volunteer pilots (who contribute their time and aircraft) to help Canadians who cannot afford flight costs get the medical treatment they need.

Together with CONTACT!, The Canadian Aviation Network, you're invited to an exciting fundraiser:
Saturday, February 25th, 10:00 am to 3:00 pm at Leggat Aviation Hanger #12, Buttonville Airport, Markham.

Informative seminars:

- iPad for the cockpit
- Upgrading to the latest avionics
- Buying and owning an aircraft
- Destination flying
- Intro to the Canadian Aviation Network
- Global financial insights

Admission: Minimum donation of \$50, cash or cheque only at the door (all proceeds go the Hope Air).

Early bird registration: RSVP by February 20th, pay only \$40.

Includes seminars, lunch and the chance to win travel opportunities to a variety of great locations compliments of West Jet Airlines.

RSVP: Anna Pangrazzi at 905 477 7900
